Practical information:

The meetings will be held in Teams meetings. Due to the 3 hours' time difference between Iceland and Finland, each day will not be longer than approximately 5 hours. We will be using Teams with breakout rooms and Microsoft Whiteboard so it's recommended that everybody downloads the Whiteboard app on their computer beforehand. We open the channels every morning 15 min before the meetings start.

Links to the meetings will be sent out to all participants on the 7th of May.

If you have any questions don't hesitate to contact us by email.
